 09 Dec 2023

www.indiacloudsecuritysummit.com

BECOME OUR SPONSOR

The perfect event to be in touch with Cloud Security professionals and to take the pulse of the latest innovations and trends in the world of Cloud Security.

WHY SPONSOR US?

The perfect event to be in touch with Cloud Security professionals and to take the pulse of the latest innovations and trends in the world of Cloud Security.

BRAND & PRODUCT POSITIONING

- Align yourselves with leading brands and fuel your marketing engine through tech event sponsorship.
- Present your products & technologies to a global audience of IT Pros and developers.

TALENT ATTRACTION & RETENTION

- Gain access to a global pool of candidates from different countries.
- Simplify the hiring process by building credibility within the Open-Source community.
- Communicate to your employees that you are at the forefront of technology and care about their professional development.

EMPLOYER BRANDING

- Put your company name in line with top industry leaders.
- Improve company image and brand exposure globally across a significant number of targeted developer groups and communities.

LEAD GENERATION

- Increase brand awareness and drive sales pipeline growth.
- Community events are not typically associated with high lead generation; however, it is one of the best places to promote your products and services and make new prospect leads.
